Agenda

9:30–9:40  Opening remarks by Kimberly S. Johnson, MD, MHS, Associate Professor of Medicine, Division of Geriatrics

9:40–9:50  Welcome by Eugene Washington, MD, Chancellor for Health Affairs and CEO, Duke University Health System

9:50–10:20 Joyce A. Hunter, PhD, Deputy Director, National Institute on Minority Health and Health Disparities
  NIMHD: Thriving to Improve Minority Health and Eliminate Health Disparities

10:20–11:00 Keynote address by L. Ebony Boulware, MD, MPH, Associate Dean for Clinical and Translational Science
  Title: Obtaining Input from Patient, Family, and Community Resources to Improve Hypertension Disparities

11:00–11:40 Keynote address by Steven R. Patierno, PhD, Professor of Medicine; Deputy Director, Duke Cancer Institute
  Title: Genomics of Prostate Cancer Disparities

11:40–11:55 Break
11:55–12:10  Oral Presentation #1: Simardeep Nagyal, Undergraduate Student
“Tobacco Retail Outlets: Associations between Density, Storefront Advertising, and Smoking Cessation”

12:10–12:25  Oral Presentation #2: Victoria Parente, MD, Resident in Pediatrics
“Reducing Health Disparities through an Asthma Quality Improvement Project”

12:25–1:00  Lunch

1:00–1:15  Oral Presentation #3: Tiffany Randolph, MD, DCRI Fellow
“Race and Sex Differences in the QRS Interval among Patients with Left Ventricular Systolic Dysfunction”

1:15–1:30  Oral Presentation #4: Nora Dennis, MD, Instructor, Psychiatry and Behavioral Sciences
“Racial Disparities in Electroconvulsive Therapy Administration and Outcomes in Texas, 1998–2013”

1:30–2:45  Research “Speed Dating”

| 1:40 – 1:45 | Janet Prvu Bettger, ScD, FAHA  
Associate Professor, Duke University School Of Nursing; Faculty Affiliate, Duke Clinical Research Institute and Duke Global Health Institute; Senior Fellow, Duke Center On Aging | Research in Aging and Disabilities                                      |
| 1:45 – 1:50 | Kevin Thomas, MD  
Assistant Professor of Medicine  
Department of Medicine/Cardiology/Electrophysiology  
Director, Faculty Diversity and Health Disparities Research  
Duke Clinical Research Institute  
Clinician Researcher | Racial/Ethnic Disparities in invasive cardiac procedures |
| 1:50 – 1:55 | Laura Svetkey MD, MHS  
Professor of Medicine  
Department of Medicine/Nephrology;  
Director, Duke Hypertension Center  
Director of Clinical Research, Sarah W. Stedman Nutrition & Metabolism Center  
Department of Medicine Vice Chair for Faculty Development and Diversity | Preventing and controlling high blood pressure in disproportionately affected populations |
| 1:55 – 2:00 | Ed Suarez, PhD  
Associate Professor & Vice-Chair of Research Administration, Director, Clinical Research Unit (CRU), Department of Psychiatry and Behavioral Sciences, Duke University School of Medicine | Developing Race- and Gender-Specific Models Aimed at Identifying Common and Unique Determinants of Health Status and Health Outcomes |
| 2:00 – 2:05 | John Stanifer, MD, MSc(Global Health)  
Fellow (Year 1 of 3)  
Division of Nephrology  
Department of Medicine | Chronic Kidney Disease in Southeastern, NC: Assessment of Health Literacy and its Social Determinants |
| 2:05 – 2:10 | Nimmi Ramanujam, PhD  
Professor of Biomedical Engineering and Global Health; Director of Tissue Optical Spectroscopy Laboratory and GWHT | Reducing Health Disparities in Cervical Cancer through Women’s Health Technologies |
