

App Creation Workshops

@The Mary Duke Biddle Trent Semans Center for Health Education

Sept 18

9am - 12pm & 1pm - 4pm

Medable 101 Sessions:

These sessions provide an intro to the platform and participants will create a generic test app on Medable's Axon Platform.

Sept 19

9am - 12pm

Medable Advanced Session:

This session will give you a chance to build your own project, rather than a generic test app.

RSVP here: <http://bit.ly/Medableworkshop>
